

Stillman Infirmary,  
Cambridge, Oct. 22, 1904

Dear Collins:

Thank you for your letter of the  
16<sup>th</sup>. Which was sent over from the  
Herbarium. I am glad to see the

sample labels and I congratulate you on  
the good form in which you have put them  
up.

When I get back to work I  
shall hope to find the full lot awaiting  
me.

I have got to stay here now about  
a week - began to sit up yesterday -  
and I am planning, with the help of the

nurse, to print some of my photos.  
You are certainly mighty liberal in your  
rates to Pease. I shall not have time  
to print a series for him & if he wants  
any of mine I shall have to tell him he  
can take the films & get the prints made.  
After a month of forced idleness I am  
going to have little time for extras.

I shall see you at the next Club  
meeting.

Sincerely yours,

Herbert L. Fernald.
