

Almost any day this is early,
except will suit me —

Sincerely yours —

Mr. Char. Herreshoff
Bristol, R. I.

September 14 1910

Dear Dr. Collins:

I am again spending a
few days at Bristol, R. I., and
wonder whether it would be
convenient for me to come up
and look over the lichens of the
Brown University Herbarium.
I want particularly to see
the Helvinas, Evernias, and
Lamellinas.

Howe, Reginald Heber. 1910. "Howe, Reginald H., Jr. Sept. 14, 1910." *James Franklin Collins correspondence*
