

to keep us busy here.
I have been laid
up with Influenza
for some days, but
am mending,

Truly yours

Dear Mr. Collins -

I send you by
this mail in sep-
arate enclosure
the moss list which
I have had copied.
Please look it
over carefully &
assure yourself
that it is all
there. I am
sorry to have had
to keep it so long,
but my Book -

Keiper made
one type written
copy & when I
started to enter
the marks under
each stake I found
the spaces in
terrible confusion
as she had entirely
disregarded the
value of each
little square
so I had her make
a fresh written
copy and I have
entered the squares

myself. I need
not say how valuable
it will be to me
nor how much I
thank you.
If you can arrange
to do so I wish
you would come
up here on an
early afternoon
train on Friday
April 1st (which I
suppose is our
club meeting) &
after dinner here
go in to the Club
in the evening.
I am sure we
can find something
