

Readville Mass
15 Dec 1900

Dear Collins,

Here is a little
piece of what I call
Die. Elongatum,
from the Summit of
Mt Katahdin.

but the other lot
which I got in
the cold pool under
the rock is not
at all like this &

I did not see it
but in the one place.
I have no doubt
this spec here sent
will agree with
your elongatum.
