

Readville, Mass.

15 Nov 1903

Dear Collins:

No! I have not done
any special ^{work} on the
Sphaerina for some
time and if Mr.
Andrews is willing to
work them up for the
N. E. check list I
shall be glad to send
him any material
I may have or help
in any way I can.

I know how much
interested he is in
Mosses & we met him
at his own home in
Millhamstown when
Churchill Millham & I
went there in June 1902
very truly
G. G. Kennedy
