26 Nov 1903

Dear Collins,

I have really done nothing on the Sphagnum and shall be glad if Andrews feels like taking it up, and if I have any material or data shall have them ready for him to look over.

I shall be glad to have a chat with you at the next Club on this subject. We meet at the Brunswick as you say & I hear it is very satisfactory quarters. Hope you are having a festive Thanksgiving.
Yrs Geo. F. Kennedy
