

Readville, Mass.

7 June 1906

Dear Collins:

Thanks for your  
note + drawing of the  
*P. gracile* from  
Mt Mansfield: the  
attenuation —  
As the *gracile* has  
been observed only  
from Vermont I  
suppose you will  
cite both the Willoughby  
& this station to  
give a new interest  
to collectors to look  
for it.

Yrs

G. G. K.
