

Readville, Mass.

23 Aug 1916

Dear Collins:

It gives me pleasure to hear from you: I have sent a separate Willoughby Flora to your friend Dr. Perley Spaulding as I have a few not yet called for. I hope you will arrange for a trip to Blue Hill and that I may have the pleasure of seeing you: for several years now I have joined in a Sept trip to Franconia N.H. with Chas. and also sometimes with Walter Faxon. Usually sail from Sept 5th or 10th to abt the end of the month, to admire the pliage and enjoy the cool weather for walking. Perhaps R.R. traffic may be at a stand still this fall, if the ~~bad~~ roads have to endure a strike but let us trust not.

Theres a very modest Inn
at Framoria.

The White Mt House
with excellent Table and
fine view of Lafayette
and as the hotel is in the
Gale River valley we always
have a down-hill tramp
coming home - not wholly
undesirable after a long
week. We have been
putting electricity in our
house and it is something
like being struck by
lightning! However I must
say the workmen were
very ingenious hiding
their tracks well.

This should be
"The Mountain View House"

Very truly yours
Geo. G. Kennedy
