GEOLOGICAL SURVEY

R. W. BROCK, ACTING DIRECTOR.

OTTAWA, June 26th 1908

Dear Prof. Collins

I am after all unable to
get out a very large number of specimens for you
but am to-day sending to "The Curator of the
Herbarium" at Brown University a box containing
520 sheets of specimens. I shall be leaving
for the west in about ten days and if a cheque
for the amount of my account can be sent
we before that time I shall be greatly obliged.
As the business of the University has been closed
for the season please advise me to that effect
so that no instructions need be left here as to this
