March 24 1899

Dear Mr Collins:-

I return your check list with the specimens that I besine marked with blue pencil — There were very few in your list that do not have, already, in my herbarium — I return my list of mosses and also a list of the few scale mosses I have in duplicate —

I have a copy of your article in Rhodora and shall subscribe for the magazine soon as I wish to keep a complete set.

Very Sincerely

Elmer D Merrill
