My dear Collins,-

I am very sorry to say that it will be impossible for me to go with you on a quest for Chestnut bark disease on Saturday of this week, as I have engagements for both morning and afternoon. During the next two weeks I have the following time free:

Monday, June 14, A.M. and P.M.

Wed. " 15, A.M.

Thur. " 16, A.M. and P.M.

Tues. " 22, A.M. and P.M.

Wed. " 23, A.M.

I should be glad to go with you or help you in any way that I could at any of those times. You could notify me by telegraphing the night before to me at 3 Waban Street, Wellesley. I will arrange for the carriage. To reach here leave the Providence train at Back Bay Station, cross over to Trinity Place Station and take the train for Wellesley on the Boston & Albany. Trains leave at 9.04 and 9.24 A.M. or you could take the 12.09 train, reaching Wellesley at 12.45, lunch with me and spend the afternoon hunting chestnut trees. There are other P.M. trains at 1.14 and 2.04.

Sincerely yours,
