

78 Orange Street,  
Brooklyn, N.Y.

Jan. 3<sup>rd</sup> 1900.

My dear Mr Collins.

Your note of the 30<sup>th</sup> rec. I enclose  
unscript-as I shall expect Mr Grant to carry  
out your instructions when I see him. As  
I hold the purse strings, think I am safe.  
I also send mine as paid.

I thank you for your interest in Simnia  
Gis. I have duplicates of Mr Holzinger's set,  
as well as from Columbia + Washington Univ.  
If you have any other American localities  
represented in your University Lib. I  
would be glad of a specimen if only  
large enough for a slide. I would return  
a mica slide + note for insertion in  
your envelope in return for the material.  
if you have time to bother about it.  
The Chapter seems to be doing finely

Some time or so you figure have sent-  
durs + asked for msses - & only Jan. 3.  
I think your suggestion for localities on  
the Bay. offers a good one & will  
see the Gmt about it - for next issue.

Let us hear whenever you have any  
thing to offer - articles - notes or ideas.

Cordially Yrs

Annie Morrill Smith.
