BROOKLYN, N. Y.

Dec. 13<sup>th</sup>/90

Dear Mr Collins.

Will you give the Editors of The Bryologist the benefit of your opinion regarding the advisability of giving in the future the description of new mosses in the original latin? So far we have translated them but a change is suggested & we would esteem it a favor if you would give us the benefit of your idea on the subject. A card will answer.

Very Truly Yours  
Annie Merrill Smith.
