

THE MISSOURI BOTANICAL GARDEN.

WILLIAM TRELEASE, Director.

St. Louis, Mo., Oct. 31, 1905.

Dear Mr. Collins:

Like a good many other people, I have eaten my cake and consequently can't have it too, so that I do not see how I can subscribe for your Eastern Quebec set of plants. Would a set of the sixteen volumes of our Report thus far issued be of sufficient use to you so that I might offer them, prepaid, in exchange for one of the sets of your exsiccati^{ae}? I am incined to think not, and shall not be in the least surprised if you so inform me; but should the proposition appeal to you, I shall be very pleased to make the exchange.

Very sincerely yours,

Wm. Trelease

Director.

Mr. J. F. Collins,

Providence.
