Boston June 10 1908

My dear Mr. Allen:

It happens that,
as the Gaspé plan has
"flashed in the pan" - I
am looking out for some-
thing to do for my vacation,
As Mr. Ware will be
unable to join me either
in July or August - I
am disposed to have my
two or three weeks taken
in the character of a
botanical trip - or at least
to make my plans with
reference to some good
collecting. Judge Churchill's

I have talked Fort Kent
Maine a little - where
both of us have hoped
to go some time - and
we are wondering if it
chances that a plan
to go there - would
interest you - & if you
would go - ~~We would~~
like - If we were to do
that or a similar trip -
a party of four or more
would be better than
two - & so we would be
glad to find the
right ones to join in it

We are ~~not~~ committed
at that point & may not go,
but we are discussing
possibilities - I have
thought for myself, I
might attend the meet
of the Federation on that
Washington July 1-8, or
a part of the time perhaps -
then I would have a week
or two more to dispose of
Judge Churchill having been
there at just that season
has no special desire
to do it again -

Should this strike a
responsive chord - I
shall be glad to hear
from you
Cordially
Robert Allaire
