Fort Kent Me. July 24
We go home tomorrow - Judge Church
hills & I. Have had good two weeks
favourable weather - & good botanizing
much! that's new for me. Will
tell you more of it another time
Before leaving home - on the 10th - I
tried to ascertain about Prof. Fernald
going - but did not succeed. The
last I knew ~~Helms~~ ^{Helms} was waiting for
their vessel to arrive for Nova Scotia
I think... I should think he might have
limited time in Labrador - sailing vessels
are so slow & winds uncertain - I hope
your summer work is going well.
Yours Potat A Ware
