Dear Sir.

We are obliged by your letter of Feb 26<sup>th</sup> with stamps \$ 1 4<sup>1/2</sup> for which we enclose receipt.

The books have been shipped to the Library of Brown University and invoices have been sent to the Librarian. We believe you will be pleased with the condition of the books when you see them. The arrangement as to payment made by the Librarian was quite satisfactory.

In answer to your inquiry as to the date of the publication of the plates in Sowerby's English Botany, first edition, we would refer you to the recent numbers of the "Journal of Botany" (1903, 1904) in which a series of articles has been appearing monthly & is being continued in which the dates are given accurately of the plates in this work, as well as much other interesting information.

With thanks,

Yours very respectfully  
Wm Wesley & Son
