My Dear Wright

Any news of sailing yet?
Do not forget to give me an address by
which I may write to you at the
Sandwich Islands — where, especially
on Hawaii and Mau, there is much
to which your attention should be directed.

The enclosed just received from Dr.
Engelmann. He wrote me to pay
you \$100 — and that he would like to
have you send him plants from Sandwich
Islands, &c — hereafter. I wrote him — a week
or two ago — in answer — that you could not
dispose of any part of your collections made
in this Expedition: but that, as to the
families he works at, no doubt in due time
he would see them, or get a set, gratis.

I told him it was not necessary to
send to you more than the \$83. —

But if he does, I shall of course send
it to you, or your father, if you are gone.

He is now collecting his yearly bills,
and will be in funds "in a week or two"
when he will send to me -

I now owe you a good sum - part of
which I have got, & part is deposited
in Ireland, where I can draw for it. I
shall make you a remittance the 1st Monday
of next Month. - unless you want it
sooner - when I will raise it for you.

Let me have news of you -

Pl. Wright. is done & the index printing.
I will print Engelman's abstract of
Ostea in Silliman, & in next Pl. W.

Yours very truly

A. Gray
