

Dear Mr. [illegible]
 I have just been thinking of
 writing you for the last few days.
 I hope you are well and happy.
 I am very well and hope
 to hear from you soon.
 Yours truly,
 [illegible]

I have identified as being
one which I sent to M. de
Barbaval of Macou, France
2 years ago — of no great
account. The "Cuba" things
are merely about 100
or so of duplicates of your 2^d
Cuba collection. I have
sent them on to destination,
I have got to-day notice of their
arrival, so that is done.

Tell Greville that Verlot is away, in vacation, at Grenoble. I have run well over the living plants here at the Jardin - the Hardy ones - with Decaisne.

I want to ask what if
my M. S. tax-bill this year?
I would have been asked for. I
think, in the spring.

How about that State
& home tax bill. - probably now
presented. I should like it to
be shown to L. W. Living. -
Please confer with him about
