

Kear, 16, Sept. 1869

Dear Wright, Yours up to Sept. 3  
received yesterday. It is not before me  
now, being at Auburn. - but I will  
see if any thing to respond to specially.  
I had that all is going on well. Tell  
Guinevere that I have written to Thos.  
son of Spruce about send of Pentstemon  
Mrs. G. who has had some small -  
backs is nicely again. About the  
desiderata for what that Jerry is to  
furnish. You will have to nudge  
him to get him to attend to it. -  
he forgets & postpones.

Friana is not here, Oliver knows  
not where now: may be here soon,  
when your Melastoma notes are to  
be turned over to him.

I add over a memorandum to go to  
friend Canby.

Oliver & Mark hand me their respective  
tiny notes.

I hope your digestion is all right again.  
Probably the package from Hance is in the room.  
I thought it was a box, The "Mummies"  
heads, are for Prof. Wyman, Museum of  
Archaeology.

A.S.

When your late Dist. of Carter Man-  
sent to Straker - on the Fringe.
