FRANKLIN GARDEN

CAMBRIDGE, MASS.

Nov. 29 -

Dear Wright

Yours recd. - & 20^{cts}.

As to Lachance, it is
risky to send thru such
a rattle-headed fellow.

Guérinneau is now
to write to Lachance
& see if he got the box
of live plants.

To whom was the box de-
sent in N.Y. for L. to
call for? One might
write to ask if the things
are there, yet, or if they
were called for. If the
latter then Lachance
has pocketed them.

No such Grass &
Knutrack

Eleusine Indica &
the meadow - inf -
but want like deep
shade

We are W - W.
