

GRAY HERBARIUM OF HARVARD UNIVERSITY,

BOTANIC GARDEN, CAMBRIDGE, MASS.,

Riv. du Loup, Aug. 15, 1902.

Dear Greenman -

Thank you for forwarding
Dr. Goodale's note and for your own
messages. I am sorry that Dr. G.
sent the letter of Prof. Dacca, for I have
just come out of the woods where there
is no mail & I fear that the delay
has caused confusion.

I am just starting south for
Cape Breton & Nova Scotia. & when I
go to the train I shall send a bundle
addressed to you. I shall not
prepay it as I have a notion that
the Express Co. will get it through
without Customs duties if they are
to collect at the other end. Besides
I am hard up & can't get any money
until Monday in Sydney.
My address until further notice is

Kentville, Nova Scotia.

I am glad to hear that you have
been having a cool summer. I was
nearly frozen with winter clothes
on.

Tricely yours.

Nemitt L. Fernald.

I shall be very glad if you
will open the bundle of plants
and divide it into two or three
loose packages & put in a dry
place. This is a country of
damp cold air and the plants
& papers gather moisture faster
than I can manage them.

Fernald, Merritt Lyndon. 1902. "Fernald, Merritt Lyndon Aug. 15, 1902 [Fernald to J.M. Greenman]." *Merritt Lyndon Fernald correspondence*
