

GRAY HERBARIUM OF HARVARD UNIVERSITY,

BOTANIC GARDEN, CAMBRIDGE, MASS.,

June 16, 1904

Dear Oakes:

Here is a letter which may interest you. It is from the man who has found Cypripedium arietinum in such abundance.

Kindly return the letter when you are through with it as I want to keep his Polygala notes.

My dates are moving forward and I shall leave for Gaspé on the 26th so that I shall be unable to have the day I hoped for at Bay View.

I hope you are going to have a fine summer and that your building operations will all prosper.

Very sincerely yours,
Herbert L. Fernald.

Fernald, Merritt Lyndon. 1904. "Fernald, Merritt Lyndon June 16, 1904 [Fernald to O. Ames]." *Merritt Lyndon Fernald correspondence*
