

PLEASE ADDRESS ALL
CORRESPONDENCE TO THE DIRECTOR
AND NOT TO INDIVIDUALS

DEPARTMENT OF MINES
GEOLOGICAL SURVEY

R. W. BROCK, DIRECTOR.

OTTAWA. 16th January, 1914.

Dear Dr. Fernald:-

I have just received your letter of January 14th and must answer at once to the extent of saying that, so far as I am personally concerned, there is no botanist anywhere whom I would rather see permanently located at Ottawa and I can see nothing in the way of this being brought about but the matter of salary. Mr. Brock came home two days ago but has been and still is busy with his new duties as Deputy Minister so that I have not yet had any opportunity of speaking to him about botanical assistance. After I have talked with him I think the best way would be for me to go down to Cambridge and talk the whole matter over with you as correspondence is rather unsatisfactory. I can only repeat again that if any effort of mine can bring about your coming to Ottawa you will certainly be here some time.

Dr. M. L. Fernald,
Gray Herbarium,
Cambridge,
Mass., U.S.A.

Yours sincerely,

Shubert
Curator of the Herbarium.
