

Charlotte, Vermont.
11, April, 1888.

Dear Mr. Watson,

Each year Dr. Keck has
received numerous sets from me;
but I do not know where he
has been wont to place them.
If he has ever supplied your St.
Petersburg correspondents, I presume
he has offered to them every year.

My sets of this distribution, however,
will hardly reach to him at the
end of my roll; indeed, I have
only two left. If you would like
specimens for sending to St. Petersburg,

I can promise you at least one
of them, — possibly both, if John
Ball of London does not take
one this year. I have not yet
heard from him.

Yours faithfully,
C. G. Pringle.
