Mr. Charles Schweinfurth,
Botanical Museum of Harvard University,
Oxford Street, Cambridge, Massachusetts.

Dear Mr. Schweinfurth:

Mr. Leonard, at my request, has examined carefully the whole series of Oesterreichische Garten-Zeitung. He states that he is unable to find any further descriptions of any species of orchids.

We are very much obliged to you and to Professor Ames for forwarding the Lankester Costa Rican specimens, which were received yesterday.

Very truly yours,

Paul C. Standley
Associate Curator,
Division of Plants.
