

**FIELD MUSEUM OF NATURAL HISTORY**

ROOSEVELT ROAD AND LAKE MICHIGAN  
CHICAGO

June 6, 1932.

Dear Mr. Schweinfurth:

Unfortunately we have not yet received from Macbride the negatives covering the orchids at Berlin. Most of his negatives are here, but there are several thousand of them, made some time ago, that he has not sent, for some reason or other.

I am writing to him to ask that he send on the negatives you wish, or else send you prints of them directly from Berlin, where he can have them made quite easily, I am sure.

Sincerely yours,

A handwritten signature in dark ink, appearing to read "Paul Hensley", with a long, sweeping flourish extending from the end of the name.

Standley, Paul Carpenter. 1932. "Standley, Paul Carpenter June 6, 1932 [to C. Schweinfurth]." *Oakes Ames Orchid Herbarium correspondence files*
