December 15, 1932.

Dear Mr. Schweinfurth:

I certainly appreciate the trouble that you have taken in supplying the records of the British Honduras orchids. The additions are a rather substantial enlargement of the original list!

We thank you also for the determinations of the several sheets sent on loan. The specimens were received several days ago.

In the near future I hope to sort out a lot of miscellaneous Peruvian plants, mounted sheets, and then we shall send a number of orchids that I know are to be found there.

Sincerely yours,

Paul C. Standley
