Dr. Paul C. Standley

Dear Dr. Standley:

I am interested in working the orchids of South America and in building our collection up here as much as I can. It has occurred to me that you might know of collectors down there who are willing to collect orchids for remuneration. I have already written to a number of collectors down there but if you can suggest anyone I shall appreciate it.

With my regards,

I. am,

Sincerely

Williams, Louis O. 1938. "[Williams, Louis O.] Jan. 24, 1938 [to P.C. Standley]."
