Dear Sir:

I have been delayed a little in  
answering your letter of June 14th, for which  
I am sorry. The Sphagnum is not S.  
platycladum which I make a synonym of  
S. meridense Brid., but belongs in a  
different group. I make it S. magellanicum  
Brid. as labeled.

Thanking you for part of opinion.  
Very truly yours,  
O. L. R. Adams.
