

November 23., 1910.

Dear Dr. Schlechter:

I have already written to a number of my friends in different parts of the country asking them to send me species of Primulaceae. I have every reason to believe that some of them will be able to supply some of your desiderata. Professor Sargent has not yet answered my letter regarding Chinese material, but I am sure he will do all he can to help.

In a few days I shall have a drawing of *Pogonia affinis* for you. If there are other species of which you want sketches please let me know as I shall be glad to help you in every way I can.

Yours sincerely,

*Robert Wms*
