Mr. C. H. Lankester
Las Concavas
Cartago, Costa Rica

Dear Mr. Lankester:

Thank you very much for the second specimen of the little *Aspasia* which you were kind enough to send to me. I showed it to one of my associated and find that he has the same species from Chiriquí and is going to call it *A. pumila* Schweinf. It will doubtless be published in a short time. S

I am going away on vacation tomorrow but will have your letter copied for publication in the Bulletin as soon as I return. I shall send a copy to you for your approval before it is printed.

With my regards, I am

Sincerely yours,
