

MIDDLEBURY COLLEGE.
MIDDLEBURY, VT.

Jan. 13, 1898.

Dr Geo. G. Kennedy.

My dear Sir:

You will pardon us I am sure for not attempting to call on you & Mrs. Kennedy before leaving Boston. Our stay was very short & our time very fully occupied. But one of our pleasantest memories was the visit we made to "The Pines." Only I wished I could have seen more of your Herbarium.

We are planning for ~~the~~ Winter meeting of the Vt. Botanical Club. It would be very helpful to us if we could have a little outside inspiration & Prof. Jones & I agreed that we should venture to invite you to attend, & to read us a paper, or give us a talk, on any subject that you might choose. Some paper that you may have used elsewhere would do: but a talk on the botany of Willoughby Lk & vicinity would be especially acceptable. Our meetings will be on Friday afternoon & evening & Saturday forenoon Feb. 4 & 5th. We shall be glad to defray your expenses in coming, & will try to make the trip a pleasant one for you.

Mrs. Brainerd writes with me in sending kind regards to yourself & Mrs. Kennedy & the other members of the family.

Yours sincerely

Ezra Brainerd.
