Dear Dr. Kennard -

Your sympathetic &
lovely letter with its
words of encouragement
to Margaret has given
her great comfort and
she is so deeply im-
pressed by the beautiful

verses that she is very
anxious to know if it
were possible to get some
copies, and also write
them. She thanks you
so much for writing.

Dr. Coolidge is very
sick with bronchial pneu-
monia and a weak
heart, and several times
we have thought he
was going. Last evening

he fastened us all about him
and gave us a last word,
and then he rallied and was
then knowing he is with us
still. He is a great strength
in all. He is now 95 yrs. 7th mo.
ad.

I have just received a letter
from Mr. T. D. Betts of
Manchester, N. H., telling me of the
death of my old friend Mr. M. R. Allen
