

New York Botanical Garden,
Bronx Park,
New York City.

Dec. 21, 1904.

My dear Dr. Kennedy,

Have got back to the Garden after
a six ^{weeks} ~~years~~ sojourn in Vermont.

While at home I noticed that the
Willoughby House had burned.

Dr. Underwood showed me the
Botrychium Lunaria yesterday, we
both said it could be nothing else.

Mr. Tilton ought to present it to
the New England Club or to the Nt.
Herb., Univ. of Nt.

Yours truly
W. W. Eggleston.
