

MUSEUM OF COMPARATIVE ZOOLOGY,

CAMBRIDGE, MASS.

Oct. 28, 1911

Dear Dr. Kennedy,

I did not go to Berkshire
as I had purposed to do, as I learned
from Dr. Barbour, who was collecting
crayfishes for me in the Adiron-
dacks, that these animals had
retired to their brumal latibrae.

I shall hence^{to} postpone my researches
in Berkshire till next summer.

Sincerely yours
Walter Eason
