

Queington
June 26, 1913

Dear Dr. Kennedy,

The bird problems here show such interesting phases this week that I must reluctantly forego the Whelfield trip. I wish to get notes on the young Warblers every day from now on, to the 4th of July or so.

Do you find that your Bohm's Sh. Bristlegrape is defective or a different issue from mine?

Yours sincerely
W. E. Faxon

Faxon, Walter. 1913. "Faxon, Walter 26 Jun 1913." *George Golding Kennedy correspondence*
