

Cambridge, Ap. 25, '92.

Dear Dr. Kennedy:-

I sent you
Saturday by mail a little
package of Carices, and
trust that they have
reached you satisfactorily.

I have decided not
to encumber myself at
present with a large
herbarium, so am glad
to distribute anything
I may have in duplicate
without completing an
exchange.

However, if at any time
you have duplicate Carices,
Junci, or anything from
Maine, I should like to
be remembered.

Sincerely
Merritt Lyndon Fernald.

Fernald, Merritt Lyndon. 1892. "Fernald, Merritt L. 25 Apr 1892." *George Golding Kennedy correspondence*
