My dear Dr Goodale,

I have thought
over your letter of the
7th abt the proposed
change in the visiting
Committee of the
Botanic Garden &
Herbarium and
it seems to me
rather unfortunate
to have two or more
visiting committees
to the Botanical
Department.

I know that twelve

My dear Dr. Kennedy

It seems ex-
pedient that our Com-
mittee, heretofore called
the Committee on the Botanic
Garden and Herbarium, should
be divided into two Commit-
tees, one for the Garden
and the other for the Her-
barium. Those whose in-
terests are peculiarly looki-

is rather a large
number to have
on any one
Committee, but
it will be ~~rather~~ ^{some what}
~~unusual~~ ^{and} to have any
larger number
for any Dept. even
if they are divided
into separate or
sub-committees.
I can assure
you that I shall
lose none of my
interest in the
Botanical Dept

even if I am not
on any Committee
and I think you
had better omit
my name from
the proposed list
and let me
give way to some
other gentleman
who may be
willing to serve.

I assure you I
shall come over
to ^{"visit"} ~~see~~ you as
often as ever.
Very truly yrs

be divided into two Commit-

and the other for the Her-

cultural will be asked to
be members of the Garden Com.
while you and Mr. Kidder
and Mr. Abbot will be asked
to form the nucleus of the
separate Herbarium Committee.
I write now to ask you
whether you will receive
favorably a letter from Dr.
Robinson asking you to join
the latter.

Such a separation
in name will not in
any way exchange us, and

I can assure you that I hope I
shall see just as much of you as
heretofore. With sincere regards

Sincerely
Yours ever
