

Dear Will, I came back from Farmington Me last evening & go tomorrow morning to Norfolk, Conn for over Sunday. Expect to be home on Tuesday eve. next.

I suppose as you are asking the opinion of the whole class, that there has not been any fixed policy among the over-fifty year classes in the matter of a separate room and lunch; up to within a year I had supposed the older class gave up ^{their} room in the yard ^{automatically} when they had reached the 50 year age limit, as so good a lunch & well located a meeting place would serve the older classes sufficiently well and ^{further} ~~more~~ ^{that} the rooms in the yard were needed for the younger classes. and therefore I would vote to give up the Thayer 31, but not for any monetary reason

as you suggest for I suppose
^{income will 2750 dollars & class fund}
~~the money~~ still belongs to us
to use for any class purpose
^{personally} But I think it a very
desirable thing to meet our
old friends of earlier years
and also get acquainted
with many men of maturer
years and varied experiences.
but it is a wine

But I am glad you have
asked us all to express
our preference in the matter.

10 June 1915.

Yours as ever
G G K
