

246 Devonshire St
Boston Oct 6, 1904.

My dear Dr. Kennedy.

I thank you
heartily for the "Willoughby
Flora" - which you so
kindly send me.

I enjoyed my Willoughby
visit immensely - and
with its flora - it is
very pleasant to
associate those who
have made it a study -
You know you were
partially responsible
for my going there -

for when I was seeking
some objective point
in Vermont - you pointed
to that spot - with such
enthusiasm - that I
could do nothing less than
go.

I am glad you have
have published the list -
and in common with
many others - I am
indebted to you for doing so.

Please accept my
best thanks -

Sincerely yours
Robert A. Ware
