

My dear Mr. Wheeler  
I am sending today by express  
the Life of Langdon to  
Kindly loaned me last June.  
I hope you have not been  
inconvenienced by the long  
absence of the book from your  
library, and my only excuse  
is that I thought it best not to  
send it until the summer had  
passed and another school  
year would find you at home.

My son Sinclair who has been  
in the Society Islands this summer  
writes me that the "artistic" in vogue  
there & he saw one of his pictures  
priced at \$1000 - for me he  
seems to paint too strong and  
black for such a sunny atmos-  
phere as the Pacific Islands, very  
different from La Farge or Stevens,

and it is from their ~~points~~ <sup>points</sup> I have  
~~learned the enjoy~~ <sup>learned</sup> to enjoy the Island  
life - I thank you for  
giving me the opportunity of  
seeing something of the  
work of their peculiar  
genius, very truly yrs
