Mr. Walter D. Dane,
Cambridge,
Mass.

My dear Mr. D. Dane,

I have a small set

(29 sheets) of *Crataegus* that I thought you would like. They are mostly

Ashe and Bradley species from type localities in North Carolina but it includes *C. rotundifolia* var. *Bickenellii* from Nantucket and ~~a~~ one of *Sargents* from Litchfield Conn.

I am going to S. W. Kentucky to spend a month between the Mississippi and the Tennessee rivers, collecting for Dr. Britton, in a couple of weeks, and on my way back shall stop at Grandfather Mt. It is some time since I have had a set to sell.

Yours truly
W. W. Eggleston

Eggleston, W. W. 1909. "Eggleston, Willard Webster Apr. 29, 1909." *Walter Deane correspondence*
