Readville, Mass.

12 Oct 1904.

Dear Mr. Davenport:

I am sending you
Express prepaid a
bundle of Ferns:
Some from New Zealand
& some from Montserrat
of the West Indies -
They are amateur
or Commercial Sets,
perhaps have no
value, but as I
have no use for
them, I prefer to
have you throw
them away rather
than I, & you may
perhaps run across
something interesting.

P.S.

The electrics for Blue
Kiln (Canton Line)
leave Dudley St
at 5 and 35
minutes after each
hour.

& reach our gate
in 40 minutes

If you could come out
on Friday (day after
tomorrow) for a noon
lunch we could
look over my 130-
Mychiam (this sort
of spelling because I
was suddenly interrupted)
or other Terms I
may have from
Willoughby — If
Friday is not convenient
please name some
day next week & I
will write you
if it is free for me,
very truly yours
Geo. G. Kennedy
