Washington Apr 17. 1885

Geo. E. Davenport Esq

Dear Sir

You are very welcome to both lots of ferns sent you, hope your eyes will improve so you can prosecute your researches among the Ferns You make the following statement

I am especially interested in the ferns from Lost Angeles Bay as I find herein Eaton ~~Notho~~ California apparently recognised by him as *N. cretacea* Lieb and right.

The express words used by Eaton are as follows. *Notholaëna cretacea* Liebmann
N. kalifornica D. C. Eaton.

In looking over your list of Arizona and Mexican Photographs printed on a card which you sent me with some pictures last summer, ten in number could you send me the following selected from the list on the card *Yucca Palmeri*. *Quercus Emoryi*
Dasyglirion Wheeleri. *Crossing the mesa*

Left on the Desert. Mesquite Forest
Scene in the Santa Catalinas and the
view of the Desert

If you have any other views not
mentioned on that card Arizona, Mex-
ican, or Western please let me know

Last Summer you sent me
Cereus Pringlei *C. giganteus* & *C. Thurberi*.
Yucca Baccata. *Opuntia Whipplei*
O. Angustata. *Opuntia fulgens*.
Echinocactus Emoryi. *E. Wislizeni*
Pinus Arizona.

Please address me care of
Dr. George Vasey Department of
Agriculture Washington D. C.

Yours very truly
Edward Palmer

Palmer, Edward. 1888. "Palmer, Edward 17 Apr 1888." *George Edward Davenport correspondence*
