

I send with this some ^{Aug 12th 1880 Bolinas.} ferns from rocks
overlooking the sea some fifteen hundred
feet above it, same as I sent you roots
of not long ago. The first roots (I think
the first pkg.) was from Oregon, Linn Co.
The Polypodium I mean, and I marked
them Oregon. The other Poly's came
from rocks in Marin Co just over
the divide on the road to San Rafael.
Is there any thing I can do for you
in San Francisco. Am going down
in a few weeks. E. O. P. Please send me
names of the three ferns col. by J. Muir that I send
in pkgs. & oblige. E. O. P. Forget me. roots are in bloom.
