

Hubbard House -

Northampton Mass - March 1.

Mr. Davenport,

My Dear Sir -

I promised to be good and not ask you any more questions - but I have something I am very anxious to know - and I will give you as little trouble as possible. I am sending to the Farm Bulletin an account of my bird forms, and in giving the list, I am puzzled over the order in which the genera should come. Oh! for that new Gray's Manual which is going to set everything right! I have the list of the old Manual, Audubon's, Bittern & Brown, B. D. Gilbert, and Reynal Dodge - No two of them are alike! So far as you Manual my focus, I have your order - but that was only a part of the list, and some of the others I simply cannot tell about. How would you be so very kind as to write against the list which I enclose, just

Terry, Emily Hitchcock. 03-01. "Terry, Emily H. Mar 1 [no year] [fragment]."
