

Jamaica Plain, Mass., Nov. 10, 1903

Dear Mr. Deane,

Enclosed I send you a copy of my checklist of Cornaceae and Caprifoliaceae. You would oblige me very much if you would inform me ^hwether you have in your herbarium specimens from states not record~~ed~~ in my list. I am especially anxious to see specimens of those species which have been reported from certain states, but of which I have seen no specimens, as indicated in the list by a dash.

Thanking you in advance I remain

Very truly yours

Asper Rehder
