

71. DOWN THE SLOPE AND APPROACHING HAIR PIN TURN, MOHAWK TRAIL, MASS.

Brookvale Farm, Sept. 6. 1904

Dear Mr. Deane, - I take the liberty of sending you to-day some specimens, as they all. The same or are they different varieties of the pair? They are crowded into a pretty small space. But it is the best I could do. I am sorry I couldn't get you another, Melian. Do you require the whole plant for pressing or only the flower? I will send to-day with it nothing you will care to preserve, & sorry thanks for the very good P.S.
