

UNITED STATES DEPARTMENT OF AGRICULTURE,
DIVISION OF BOTANY,
WASHINGTON, D. C.

February 12, 1895.

Mr. Walter Deane,
Cambridge, Mass.

My dear Mr. Deane:-

I inclose several U.S. Department of Agriculture franks. The one which you inclose would have brought the package safely here. We occasionally have plants come in with franks several administrations old, but of course it is better to use the new ones. We have also Museum franks which I sometimes use, but they cause me more trouble than the other kind.

I suppose you have received my new Contributions by this time.

Yours very truly,

Assistant Botanist.
